

**The house of the mouse**

They are Mr and Mrs Jackson. This is their house. It is a big house. Mr and Mrs Jackson are very nice people. They have got a cat, Sparky.

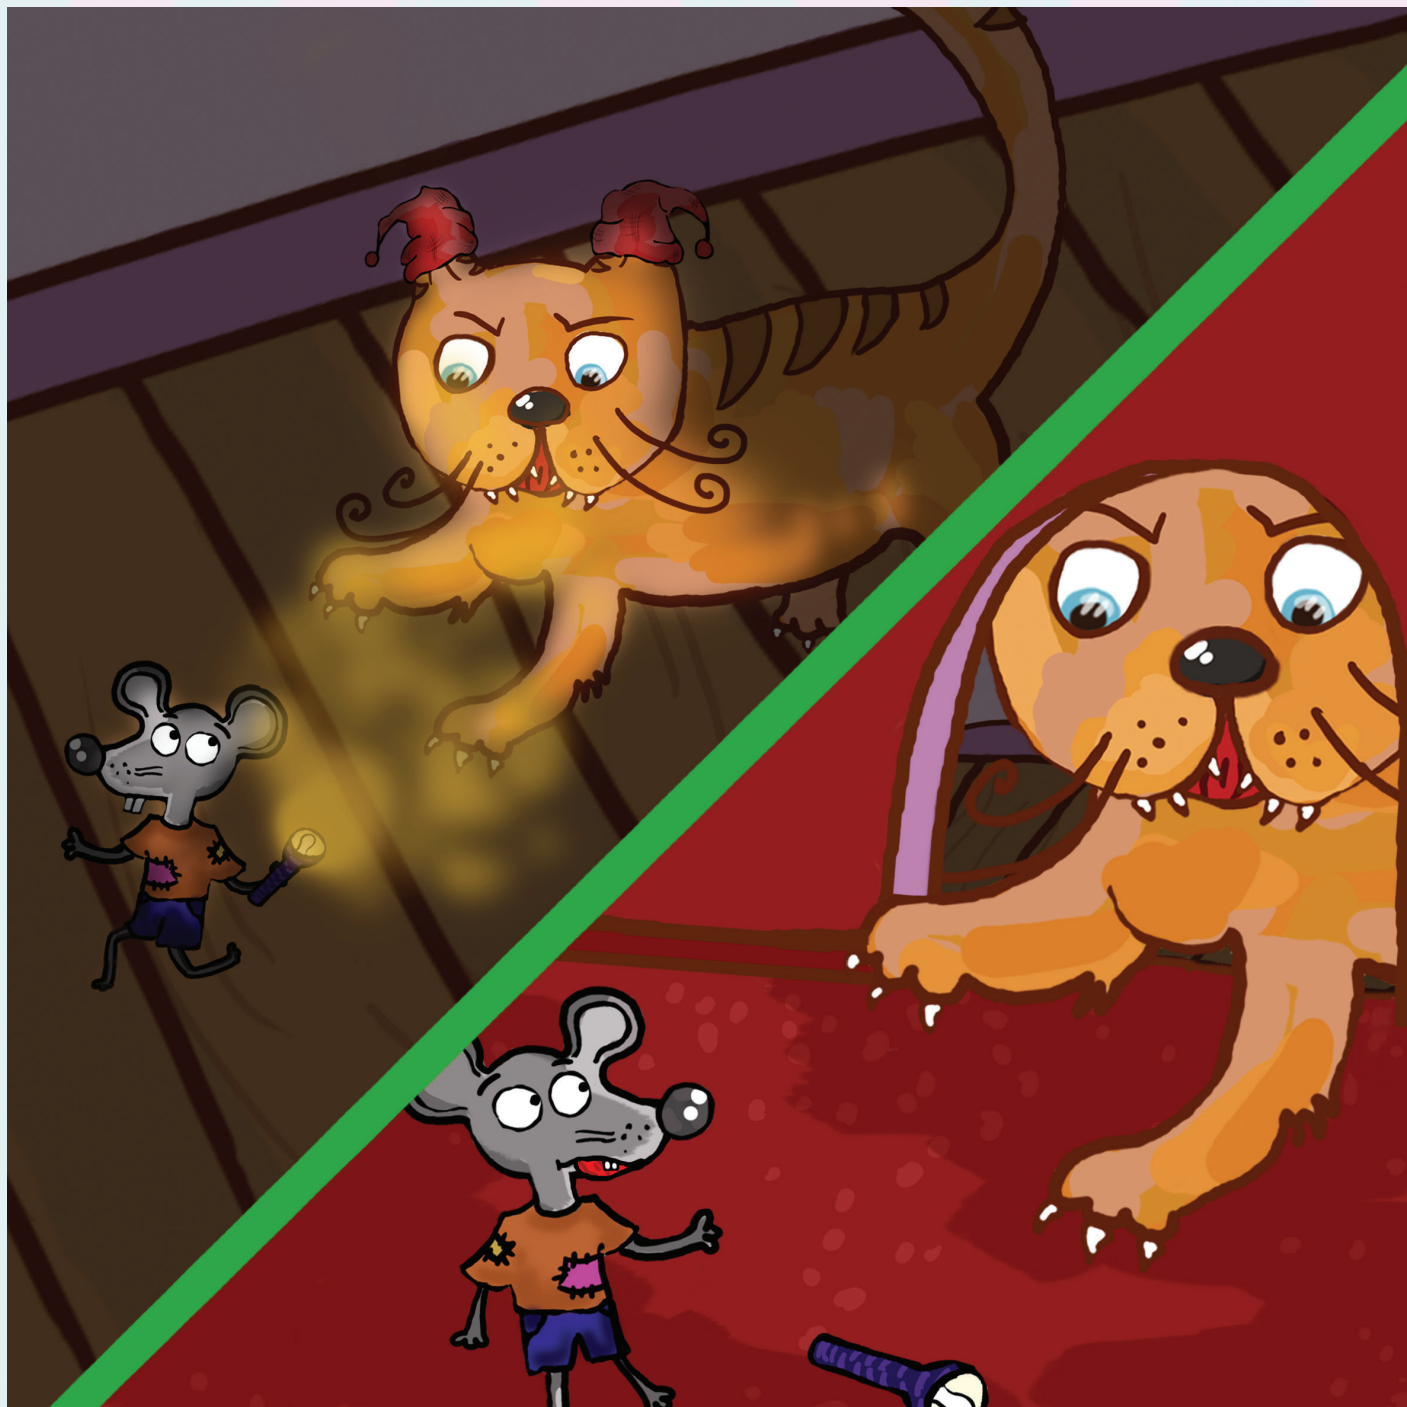

One day, Baa is bored. He says “I’m bored. I want to go out”. His father Boo says “No, it is dangerous.”

Baa is running and Sparky is following.  
Baa is at his house now. Sparky can't  
get into the house. Sparky is too big  
and Baa's house is too small.

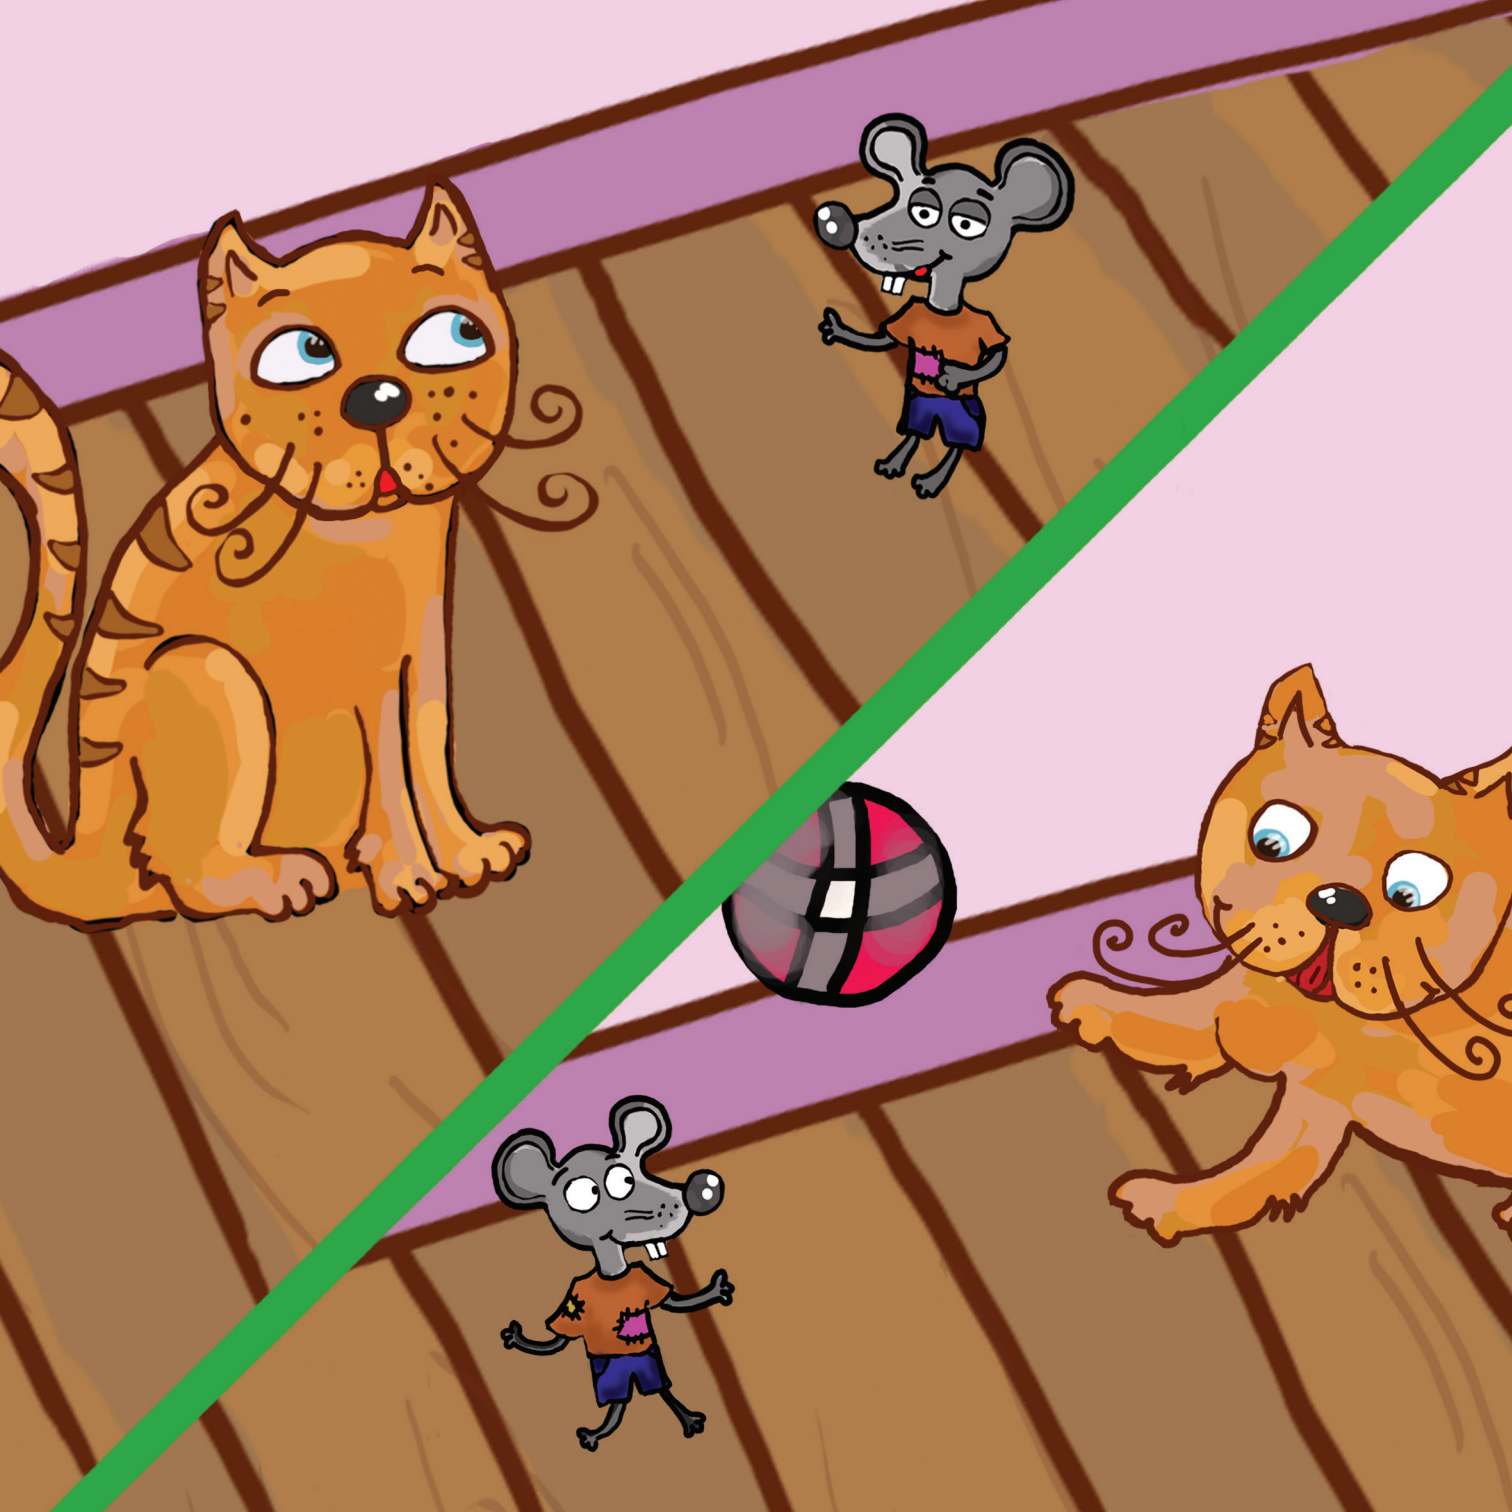

The next day, Baa goes out again. He goes to the living room. Mr and Mrs Jackson are in the living room. They are watching television.

Baa says “Hello!” to Sparky. “Can we play together?” Sparky is surprised. Sparky says “Yes!” They are playing together now. They are playing with a ball. Baa is very happy. Sparky is very happy, too.
